Workshop-Improvement Plans in Action

Stroke Forum: Reducing Unwarranted Clinical Variation

Thursday 28 April 2016

Daniel Comerford-Director Acute Care Portfolio
Consider This ????

- What have you learnt from the forum regarding the opportunities for improvement.
And whilst your considering ???

- What opportunities have you heard from the services that presented and what can you do now when you head back to your health service.
And did you think about this??

- What can ACI do to assist you locally.
