

## AUTONOMIC DYSREFLEXIA (AD) - PRE – EDUCATION SESSION SURVEY

Thank you for taking a couple of minutes to complete this survey at the commencement of the AD Education Session. This education session has been designed as part of a statewide education strategy for frontline clinicians working in emergency, acute hospital and community settings who are likely to be required to manage people with a spinal cord injury who are experiencing an episode of Autonomic Dysreflexia presenting to their service.

### What is your area of employment?

- ED    ICU    Acute Hospital (ward). Please specify .....
- Community    Other Please specify .....

### What is your discipline?

- Paramedic                       Nurse                       Allied Health Professional
- Doctor                               Case Manager               Other .....

		Please circle appropriate number									
On a scale of 1-10:		Not at all confident					Very confident				
		←-----→									
<b>1</b>	How confident are you in recognising signs and symptoms of autonomic dysreflexia (AD) in a person with a spinal cord injury?	1	2	3	4	5	6	7	8	9	10
<b>2</b>	How confident are you that you could effectively treat a person with a spinal cord injury presenting with signs/symptoms of autonomic dysreflexia?	1	2	3	4	5	6	7	8	9	10
On a scale of 1-10		None			Average				Comprehensive		
		←-----→									
<b>3</b>	How would you rate your current knowledge about the topic of 'autonomic dysreflexia'?	1	2	3	4	5	6	7	8	9	10
<b>4</b>	Are you aware of any clinical guidelines for the management of autonomic dysreflexia in a person with spinal cord injury?										
<p><b>Yes / No</b> (please circle).</p> <p>If <b>yes</b>, please specify which guidelines and in what format are they available to you.</p> <p>.....</p> <p>.....</p>											
<b>5</b>	What do you think are the important clinical practice principles when managing a person with a spinal cord injury at risk of AD? Please list:										
•											
•											
•											
•											
<b>6</b>	What expectations do you have of an education package around this topic? Please list:										
•											
•											
•
