Network of Clinical Champions

Aim

- To establish a network of clinical champions for pressure injury prevention & management in people with Spinal Cord Injury or Spina Bifida
- To develop, grow and sustain the network through communication, sharing, support and education

Aim of the Network

- To bring together people with a common interest or passion for people with PI & SCI/SB
- Advocate for these patients / individuals
- Promote best practice and collaboratively solve problems / challenges
- To help operationalise Standard 8 and integrate spinal specific recommendations

Being a SCI PI Clinical Champion

- Recognition for expertise and knowledge of local services
- Membership of a statewide 'virtual' group
- Quarterly teleconference / video conference meetings
- Access to spinal specialist services who will also be invited to be members of the network

Being a PI SCI/SB Clinical Champion - *What would we like from you?*

- Help us promote best practice for people with SCI / SB
- Join and contribute to the group, its meetings and discussions
- Be a resource person
- Contribute your expertise to SCI/SB PI resources
